[20:07] <derichloveslemur> A lot of grinding is garbage
[20:07] <pwnage_101> @iGotUrCorona The clips are from his various playthroughs throughout 2017.

[20:07] <majinboo3> Skyrim is literally the definition of jack of all trades master of shit
[20:07] <minnowpause> @darksydephil how long before youtube demonetizes this video
[20:07] <devkitgaming> nope it isnt
[20:07] <skooma_dealer> 4 u

[20:07] <hidden_baiken> how can you go wrong? Ubisoft
[20:07] <darksydephil> i guarantee it'll be demonetized as soon as i upload it tonight and i'll have to dispute it
[20:07] <kinggoken> man this game seemed like it was going to be good
[20:07] <darksydephil> youtube is demonetizing all edited vids now lol
[20:07] <lycifersoul> I love real stealth games lol
[20:07] <conan_the_barbarian> @majinboo3 i like skyrim but i think it was overrated
[20:07] <nich2440> no they aren't phil
[20:07] <thatanonyraccoon> it'll be demonetized, too many adjectives
[20:07] <skooma_dealer> my skyrimfu is better than all of yours
[20:08] <vendatus> good thing bobbi isn't here LUL
[20:08] <skooma_dealer> Kappa
[20:08] <thatanonyraccoon> should've had more nouns
[20:08] <derichloveslemur> They are really demonetising these kinds of videos Phil?
[20:08] <pinkdam> editing is advertiser unfriendly
[20:08] <nich2440> edited videos has nothing to do with it
[20:08] <devkitgaming> i like for honor
[20:08] <jeangrae2> what game do you lose at that you don't blame on lag?
[20:08] <majinboo3> You need to be a big youtuber who has inside contacs within the google company itself to not get demonitized
[20:08] <pwnage_101> @Derichloveslemur Well then, what can you do about it.
[20:08] <nich2440> you're uploading to dspgaming right?
[20:08] <derichloveslemur> @pwnage_101 yeah true
[20:08] <hidden_baiken> YouTube is only good for little girls and ASMR
[20:08] <thatanonyraccoon> Youtube detects that editing took place, and plucks away the money
[20:08] <majinboo3> For honor had too much of a cmoplicated combat to attract casuals
[20:08] <skooma_dealer> I was reading this article about latent homosexuals
[20:08] <majinboo3> it was dead on arrival on pc
[20:08] <impaiacambridge> is taurus here?
[20:08] <majinboo3> For honor couldn't attract the casuals
[20:08] <jeangrae2> @Hidden_Baiken that's not true, a lot of asmr vids are taken down for being too "sexual"
[20:08] <skooma_dealer> supposedly in the gaming community there is about 75% latent homosexuality
[20:08] <mikehunththedestroyer> Youtube: "Awww thats cute you put effort into a video Lol" *Demonetized*
[20:08] <conan_the_barbarian> for honor was disappointing
[20:08] <skooma_dealer> why do you think that is?
[20:09] <minnowpause> this game had so many glitches, remember the championships
[20:09] <hidden_baiken> whaaat? for real?
[20:09] <derichloveslemur> For Honor was pretty disappointing I agree
[20:09] <pwnage_101> Will we see the entire countdown here?
[20:09] <jeangrae2> or just demonetized
[20:09] <devkitgaming> is lawbreakers on the list
[20:09] <napoleonsol0> Hey you still doing that fundraiser for yourself? lmao
[20:09] <thatanonyraccoon> Youtube doesn't place less ads on "demonetized" videos, it simply withholds the revenue
[20:09] <skooma_dealer> yea they say the lack of T from sitting all day and not moving can effect the brain to make you crave cock

[22:17] <nightbot> ast_ra -> Please do not abuse capital letters, thank you. [warning]
[22:17] <madibased> Fucking thing SUCKS!!!!
[22:17] <pinkdam> phil fired first and had the crosshair right on him but you can't pan as fast as someone can move so nothing you can do
[22:17] <nickyrickydickyanddawn95> @djruno1 Detractor
[22:17] <iridiumviking> I hope Phil will become a pc gamer oncew.
[22:17] <ast_ra> Actually bugged aiming mechanics LUL
[22:17] <skooma_dealer> he wont
[22:17] <iridiumviking> and not play PUBG 3 at PS6
[22:17] <skooma_dealer> he hates troubleshootiing
[22:17] <bfl_griffon> i feel a lot of Phil's aiming troubles would be resolved if he played in first person
[22:17] <hairoftehdog> phil would have gotten 1st place... but the game cheated!!!
[22:18] <madibased> @hairoftehdog nothing he could do dood

[22:18] <malebox85> I agree with him it's unplayable. Fortnite is better
[22:18] <frogsonic> nothing he could do, you saw it
[22:18] <djruno1> i'll be any kind of tractor you want. but this is kinda getting lame since he almost always loses because of the same reason
[22:18] <factorbactorjr> fortnite is leaps and bounds better
[22:18] <dingusmaster1> srly
[22:18] <madibased> Phil motivates me as a streamer. In a weird way. Bless up
[22:18] <malebox85> Maybe get him an Xbox x
[22:19] <ast_ra> it pains me to say this but phil is right aiming in this game is like steering a boat.
[22:19] <eternia_forever> well he did get some kills that game
[22:19] <nickyrickydickyanddawn95> fortnite stole most of their ideas from PUBG
[22:19] <dingusmaster1> lol if you type g o u t it wont let you rofl
[22:19] <dingusmaster1> thats funny
[22:19] <madibased> Fortnite is for kids who play Minecraft
[22:19] <nickyrickydickyanddawn95> @dingusmaster1 detractor
[22:19] <neospartanhesperos9> Phil should group up with randoms
[22:19] <dingusmaster1> not really
[22:19] <frogsonic> and pubg stole from that other BR mod
[22:19] <atritusanimus> PUBG stole most of their ideas from H1Z1 KotH, so it's all fair.
[22:19] <malebox85> @nickyrickydickyanddawn95 and made it better
[22:19] <frogsonic> arma mod
[22:19] <dingusmaster1> i just wanted to know if he still had it
[22:19] <eternia_forever> you see any trailers for game code vein @iradiumviking
[22:19] <conan_the_barbarian> cheer50 nice try Phil have you updated your gaming calendar yet?
[22:19] <bfl_griffon> @djruno1 Yeah hes not great at the game, but a lot of his complaints are valid. PUBG is broken on consoles, but some of it is definitely due to being overly passive
[22:19] <yaanu1> @AtritusAnimus Didn't PUBG begin as an H1Z1 mod in the first place?
[22:20] <pray4rock> SnowYeti
[22:20] <eternia_forever> #SaveTheRecord
[22:20] <atritusanimus> The guy that made PUBG worked on H1Z1, and broke off to make his own game.
[22:20] <atritusanimus> With blackjack, and hookers.
[22:20] <iradiumviking> game code vein?
[22:20] <frogsonic> basically copied the arma mod

[22:21] <neospartanhesperos9> ...
[22:21] <djruno1> @BFL_Griffon i completely agree. the game is complete shit. but phil always complains about every game he plays so it kinda blurs the line between stuff being his fault or the games fault
[22:21] <mickjones90> there's a care package in that cooch
[22:21] <kushiyakitori> Phil, you're that horny? smh
[22:21] <frogsonic> ðŸ˜ƒ

[22:22] <dingusmaster1> couldnt enlist
[22:22] <neospartanhesperos9> ???
[22:22] <bfl_griffon> Rage is part of Phils brand at this point. I honestly think people take what he says too seriously
[22:22] <conan_the_barbarian> the biggest problem with the game on xbox is the frame rate
[22:22] <dingusmaster1> loool
[22:22] <guy_incognito_> LUL
[22:22] <nickyrickydickyanddawn95> phil is a SAVAGE

[22:23] <conan_the_barbarian> frame rate during gunfights are complete shit
[22:23] <bfl_griffon> @conan_the_barbarian crashing is worse than fps imo
[22:23] <bausleyfred> i think phil doesnt complain enuff
[22:23] <neospartanhesperos9> @dingusmaster1 I thought you said you were autistic? The military would never accept an autist, just saying.
[22:23] <eternia_forever> dammmmmmmmmmmmmmm chicken dinner incoming
[22:23] <neospartanhesperos9> Kappa
[22:23] <frogsonic> phil blames himself way too much
[22:23] <nickyrickydickyanddawn95> @neospartanhesperos9 he may be a detractor
[22:23] <atritusanimus> And the ump? Geesh.
[22:23] <guy_incognito_> @iradiumviking are you greek?
[22:23] <conan_the_barbarian> plus Phil doesn't exactly have the fastest reaction time @BFL_Griffon
[22:23] <dingusmaster1> i know but i dont think im ACTUALLY autistic -- i was just shy and the fucking psychologist dignosed me

[22:24] <conan_the_barbarian> holy shit he has m4 and m16
[22:24] <yungbubby> yes phil an m4s a shotgun
[22:24] <wjr02003> @darksydephil Remember when you wanted to buy Star Trek Bridge Crew but it was \$50? It's now \$20 so I'd say you dodged a bullet.
[22:24] <neospartanhesperos9> @dingusmaster1 I like psychiatry, it's an art form. CoolStoryBob
[22:25] <bfl_griffon> @conan_the_barbarian he will be headshotted in the field
[22:25] <a_2300_1> @DarksydePhil new to the channel, did you play pung on PC?
[22:25] <sirnoble> AK is the best gun. Most damage.
[22:25] <a_2300_1> PUBG
[22:25] <conan_the_barbarian> pung
[22:25] <dingusmaster1> @NeoSpartanHesperos9 how so , ? i like jung -- and some others -- but modern psychiatric labeling and the DSM is evil horseshit that ruins lives
[22:25] <sirnoble> @A_2300_1 No, his PC can't handle recording and playing at the same time.
[22:25] <moonanstreams> m4 is the best full auto ar
[22:25] <conan_the_barbarian> yes he played PUNG
[22:25] <bfl_griffon> my ideal loadout is a mini14 and ump
[22:25] <dingusmaster1> friend of mine was diagnosed bipolar at 10 years fucking old
[22:25] <sirnoble> @Montiblan Nah, AK is better.
[22:25] <dingusmaster1> can never fly a plane, buy a gun
[22:25] <dingusmaster1> etc
[22:25] <emry1> another gimmick like 3d
[22:25] <dingusmaster1> its fuckign sick
[22:25] <concretetasket> vr reminds me of Kinect
[22:26] <neospartanhesperos9> @dingusmaster1
[22:26] <neospartanhesperos9> @dingusmaster1 I was joking.
[22:26] <dingusmaster1> o lol
[22:26] <iridiumviking> add a mod for you VR headset. Are you not a PHD in programing or something @DarksydePhil
[22:26] <musclesforbones> you can put me on speaker phone phil, and I'll holler out the cheers to you Kappa
[22:26] <yaanu1> I'd like a VR headset, but it's true that we currently lack a viable "excuse" or a "killer app" that could pave the way for how we utilize VR platforms in everyday use.
[22:26] <skooma_dealer> cant you just thank them after the stream?
[22:26] <a_2300_1> for the peeps that played pubg on pc, do you guys think xbox will be getting the gear PC had like the bandana?
[22:26] <conan_the_barbarian> i don't think he liked VR
[22:26] <dingusmaster1> its already hard enough with a bully broher , a really small flacid penis (at least i can grow) and being raised in a weird enviornemtn
[22:26] <eternia_forever> @iridiumviking lol yes
[22:26] <neospartanhesperos9> @iridiumviking LUL
[22:26] <dingusmaster1> labels dont help
[22:27] <sirnoble> @A_2300_1 Don't think so.
[22:27] <yaanu1> For example, when the desktop computer came out, nobody knew what to do with them until they became a workplace/productivity staple, thus paving the way for recreational use in the home.
[22:27] <conan_the_barbarian> that big shit you put on your head...u sweat like crazy
[22:27] <atritusanimus> @DarksydePhil Maybe have one gun set to single shot for long range, and keep another in burst or full auto for intense fire fights.
[22:27] <conan_the_barbarian> probably can't even breathe
[22:27] <bfl_griffon> vr cant be good for your eyes
[22:27] <a_2300_1> @SirNobleX what makes you say that?
[22:27] <neospartanhesperos9> VR is stupid. I haven't even tried it and I know it is. Nobody wants to play like

that every week.

[22:28] <bfl_griffon> i also feel like its probably just shooting radiation into your head

[22:28] <dingusmaster1> @DarksydePhil my brother in the military uses VR

[22:28] <conan_the_barbarian> i wouldn't want to put that shit on for more than 1 hour

[22:28] <yungbubby> vr is only for dating actual good girls from anime duh phil

[22:28] <hairoftehdog> lol, VR radiation?

[22:28] <conan_the_barbarian> all that fog building up inside the headset annoying as hell

[22:28] <concretecasket> it'd be cool for sports events though

[22:28] <neospartanhesperos9> @BFL_Griffon True CoolStoryBob

[22:28] <yungbubby> when i use vr that isnt sweat

[22:29] <concretecasket> like a ufc match, but your in the cage with them

[22:29] <yungbubby> im covered in something else

[22:29] <yaanu1> I'm interested in the Magic Leap headsets they revealed a few days ago. They want an Augmented Reality, rather than Virtual Reality.

[22:29] <hairoftehdog> ^true

[22:29] <dingusmaster1> @DarksydePhil what did you want to be when you were a kid ? my dreams were ruined. what were yours ???

[22:29] <neospartanhesperos9> @YungBubby the fuck do you mean? cmonBruh

[22:29] <yungbubby> im saying

[22:29] <yungbubby> i spend time with my anime wife

[22:29] <yungbubby> and we do things

[22:29] <baddyrio3000> highly doubt it emits any dangerous radiation lol

[22:29] <conan_the_barbarian> his VR thing he did with Res 7 was funny though

[22:30] <bfl_griffon> @baddyrio3000 youre probably right

[22:30] <neospartanhesperos9> @YungBubby beating off to cartoons? DAFUQ?! cmonBruh

[22:30] <bfl_griffon> if i could fuck anime girls in vr i would never leave

[22:30] <yaanu1> @YungBubby You can't just do things with your anime wife; she has to start as your anime girlfriend first.

[22:30] <yungbubby> it is pretty sweet

[22:30] <conan_the_barbarian> did he ever play job simulator??

[22:30] <hairoftehdog> yup

[22:31] <yaanu1> And even then, it's better to begin as anime childhood friends.

[22:31] <neospartanhesperos9> @Primernova yup

[22:31] <yaanu1> @YungBubby Not good enough. You should have been childhood friends.

[22:31] <iradiumviking> No matter how insane you are. If you can have a real relationship with something animated... What drugs are you on?

[22:31] <dingusmaster1> which vlogs ?

[22:31] <hairoftehdog> pretty much ANY of his recent ones on Kingofhate

[22:31] <yungbubby> how can we have done that her anime is only like 3 years old
